Name of the program: Sankranti Sambaralu

Date of the program: 9-01-2024

It is a harvest festival celebrated in South India. Sankranti is perhaps the only Indian festival that falls on the same day every year.

The entire college wore colorful look with Rangolis. The initiative was appreciated by Dr S. H. V Prasada Rao, principal of our college and in his Sankranti wishes message, he addressed the students to fly on their dreams and appreciation like kites, but stay grounded on your values, like the string that holds the kite.

At assembly, students were introduced to how Sankranti is celebrated. As part of the celebrations at collage, during the time, engineering students rode on colorfully decorated bullock carts to the field where students and staff had a great time flying their kites with varying degrees of success
