Program Report	
NSS Unit Code:	AP10032
Title of the Event:	GIRL CHILD EDUCATION
Event Start Date:	16-6-2018
Event End Date:	16-6-2018
Description:	<p>Ensuring that all girls and young women receive a quality education is their human right, a global development priority, and a strategic priority for the World Bank. Achieving gender equality is central to the World Bank Group twin goals of ending extreme poverty and boosting shared prosperity. As the largest financing development partner in education globally, the World Bank ensures that all of its education projects are gender-sensitive, and works to overcome barriers that are preventing girls and boys from equally benefiting from countries' investments in education. Girls' education goes beyond getting girls into school. It is also about ensuring that girls learn and feel safe while in school; have the opportunity to complete all levels of education, acquiring the knowledge and skills to compete in the labor market; gain socio-emotional and life skills necessary to navigate and adapt to a changing world; make decisions about their own lives; and contribute to their communities and the world. Our NSS volunteers went to door to door in the Dhandiganapudi village and explained clearly about the necessity of girl child education.</p>

Description:	<p>Due to the advent of urbanization, modernization and several other factors, the joint families have shattered. Therefore, they leave their parents in old age homes. Also, many insensitive people abandon their parents, and as a result of which various Non-governmental Organizations and governmental organizations rescue them and admit them to old age homes. Many people, who have no family to take care of, admit themselves to the old age home voluntarily. Our NSS volunteers took initiation to serve them with love. Hence they planned a program to distribute the Fruits and Medicines in the Mamata Old age home in Gudivada town on the occasion of engineer's day.</p>

NSS Unit Code:	AP10032
Title of the Event:	New Voter Awareness Program
Event Start Date:	15/12/2018
Event End Date:	15/12/2018
Description:	<p>India is a democratic country. Every citizen has the basic right to vote. He or she has the right to select his leader to whomever they think is capable of leading the nation, solving the problems of common people, bringing about change, etc. Just think once, that if we do not come forward and choose the right leader then the progress and development of the country will be hampered and will also affect the people of the country. It is the leader of the country who decides various basic big projects and several things. If the basic system will not be developed properly it may lead to under construction of roads, electricity connection problems, etc. Hence, we should encourage youth to participate and build a strong network for the coming generation who will make sure to cast their votes without fail. The main theme of this program is to enrollment of voters who are eligible to vote in the village. Our NSS volunteers actively interacted with the people in the Tamirisa village and explained the importance of voting and procedure for enrollment.</p>
