Subject Expertise required will be any of the subjects namely Physics, Chemistry, Maths and Biology upto class 12.

Interested Candidates Please Fill the Form

https://docs.google.com/forms/d/e/1FAIpQLSea7pjatVspg0I2IFO9iYEV
jIBv5dRwxvALBZbhmvNOGqo2cw/viewform

Please Find the Job Description :

Employment Type: Full Time, Contractual (open) 1 Year
Position : SME
Location : Permanent Work from Home
CTC : 20,000 INR Per Month

Functional Areas: Doubts

ABOUT THE ROLE
Toppr is looking for a Subject Matter Expert in its Knowledge Team. As a Subject Matter Expert, you'll

clear students' doubts and help them improve their understanding. Manage a team of freelancers to

ensure a seamless experience for the students using our platform. Training of freelancers and providing

them regular feedback on their doubt solving skills. So, if you are student-centric and driven to change

the way we look at education, then we'd love to talk to you!

WHY SHOULD YOU JOIN TOPPR
• Work with the best: Learn from leaders who have built Toppr from the ground up. Work with
down-to-earth, highly experienced, and insanely ambitious colleagues.
•High-growth startup: Over the last 3 years, Toppr has grown over 50x, and we aim to grab a big
chunk of this ever-expanding pie.
• High-growth industry: India's online education industry is an ever-expanding pie and is poised to
grow to $2 billion in 3 years.
• As the business grows, you grow: We want Toppr to be built from within. We look at you as
someone with the potential to make Toppr a $10B company.
•Complete ownership: Have the freedom to design and manage a process for content
development. Be responsible for understanding students' needs and create high quality content
to meet their students.

HOW YOU'LL RAMP

In the First Week...
•Understand Toppr's journey, its values and mission
•Understand the doubt solving process and its details
•Spend time with the different vertices of the Knowledge team, to get up-to-speed on Toppr's offering, its competition, and future outlook.

By Day 30...
•Define the objectives and key results (OKRs) that Toppr's knowledge strategy must achieve. Coordinate with the team and manage the roadmap for content development.
• Collect students' feedback, understand their learning needs, and focus on improving user performance
• Manage freelancers - on-boarding, task allocation, review and feedback.

By Day 90...
• Watch your work make an impact beyond your domain by exploring all the works in team
• Define metrics and analyze data to measure engagement levels and performance of freelancers
• Nurture your team to move to the next level.

WHO YOU ARE
To be successful in this role, you'll need to have the following skills:
• Collaboration: Liaise with all teams to provide high-quality user experience.
• Humility: An approachable individual who is able to form strong and long-lasting relationships.
• Motivation: Ability to work under tight deadlines. Demonstrate a positive, 'can-do' attitude.
• Data-driven: Keen interest in evaluating product/market situations, analyzing raw data, and transforming it into actionable strategies.

Dear Professor,

Greetings from Infosys! Hope you and your loved ones are doing well.

It is our pleasure to inform you that Infosys will be conducting **an off-campus recruitment drive to hire engineering freshers from 2020, 2021 and 2022 batches for Specialist Programmer and Digital Specialist Engineer roles.** We need your support in spreading this message to the interested students. Here are more details about each role:

- **Specialist Programmer (SP):** An entry-level role in the Power Programmer stream at Infosys. Specialist Programmers are programming 'polyglots' who are experts in deep programming, full-stack capabilities, high complexity coding, developing rapid applications/platforms, and building technology-enabled solutions. The compensation for this role is INR 9.5 lakhs per annum.
- **Digital Specialist Engineer (DSE):** This role was formerly known as Systems Engineer Specialist. This role requires full stack capabilities and skills like analytics, artificial intelligence and automation, big data, cloud, cyber security, data consulting, and digital commerce, interaction, and marketing. Digital Specialist Engineers work across business units of Infosys on special projects to develop integrated applications and to bring agility in development with DevSecOps culture. The compensation for this role is INR 6.25 lakhs per annum.

The eligibility criteria for these roles has been shared below.

- **Year of graduation:** 2020, 2021 or 2022
- **Courses:** BE, BTech, ME, MTech, MCA, MSc (5 years integrated)
- **Branches:**

o Computer Science Engineering	o Information Science & Engineering
o Electronics and Communication Engineering	o Information Technology
o Electrical and Electronics Engineering	o Mathematics and Computing
o Electronics and Telecommunication Engineering	

- **Academic Criteria:** The academic criteria has been attached to this mail

Interested candidates can apply for this drive by filling out the application form for **Infosys Off-campus Recruitment Drive – SP and DSE**
by Friday, October 14, 2022.

The selection process for these roles will be conducted online in two steps: Infosys online test and virtual interview. Eligible candidates who fill the form within the deadline will undergo Infosys online test.

To help the candidates prepare for the test, we have shared the 'Infosys Online Test Samples'. Candidates may also watch this preparatory guidance video on Infosys Recruitment Process for SP and DSE roles by our expert.

Kindly note, these should be treated only as guidance and recommendations. These do not contain an exhaustive list of topics that one should restrict to for preparations.

In case of any query, feel free to contact me. If candidates have any queries once they apply, they may write to us at Talent.Acquisition@infosys.com.

We look forward to your continued support in all our efforts.

Greetings of the day,

It gives me immense pleasure to extend you a most cordial invitation to participate in the Off-Campus Recruitment Drive of our company. Keeping the Covid-19 outbreak as a part of major consideration, more emphasis is being put on Institute-Industry Visual Interaction, in which the company is conducting the Off-Campus Recruitment Drive, and the Institute participating in the same, are mutually benefited.

Think & Learn Pvt. Ltd is a pioneer in the global Ed-tech segment and the parent company of BYJU's Learning app, the largest K12 learning app in the world with over 10 million students learning with us. A winner of the Deloitte Fastest 50 India Award for six years in a row and a winner of the Fastest 300 Asia Award for the last three years, this company has doubled its growth year on year. BYJU's Learning App provides lessons in math and science for students from grades 4 to 12 through formats such as videos, tests, quizzes, personalized learning paths, and even games.
There are programs also for competitive examinations like the JEE, NEET, CAT, GRE, GMAT, and UPSC. BYJU's Learning App is a giant in the global Ed-tech space with an array of investors valuing the company at thousands of crores.
It was also the first Asian company to get the backing of Facebook's founder Mark Zuckerberg. Our employees can look forward to multiple benefit schemes starting from incentives, impact bonuses, travel incentives, health benefits, and much more & if you are passionate about making India and the world Think & Learn through various platforms, modes and pedagogues then look no further!

We are also enclosing a Job description with the link to the application form, which is to be filled by the candidates as a part of registration. Upon receipt of this, we would be happy to fix a mutually convenient date for the applicants for their recruitment and interview process at our company. Please feel free to connect for any further information/clarification. Looking forward to a mutually beneficial relationship with us.

Note: Final year batch 2022 pass-out interview results will be announced only after we receive the course completion certificate from the institute, We happily welcome alumni to participate in the drive.

Dear Sir/Madam,

Greetings from Efftronics...!!!

Efftronics   have a history of more than 35+ years of innovation and value delivery, on the latest technologies that
a young technical seeker would look for. We develop smart solutions for companies, projects in India and for clients
abroad. With indigenous technology, Efftronics has built, deployed, and maintaining one of India's largest Internet of
Things (IoT) network with more than 1 crore signalling elements connected to it across 8000+ railway stations. Our
algorithms are helping railways to optimize their operations and improve signalling assets availability.

We, Efftronics Systems Pvt. Ltd., are pleased to inform you that our company is offering campus placements for
outstanding students from your college this academic year as well. We are offering different positions for freshers as
below.

Function	Role	Qualification	Pay scale - CTC
R&D	Embedded Engineer	B. E. / B. Tech. (EEE, ECE, EIE)	Embedded Engineer – 5.3 Lakh p.a. Embedded Developer – 6.8 Lakh p.a. IoT Engineer – 8.2 Lakh p.a.
R&D	Software Engineer	B. E. / B. Tech. (CSE, IT)	Software Engineer – 5.3 Lakh p.a. Software Developer – 6.8 Lakh p.a. Platform Developer – 8.2 Lakh p.a.

The hiring process will include Initial Screening through Written Test followed by Technical, HR and Medical Rounds. Students selected for the offered job roles will **have first-hand opportunity to work with the latest technologies & platforms and be a part of the team working to solve complex problems in India which will impact millions of people directly.** They will be closely nurtured in digital technologies and will be exposed to complete solution development life-cycle unlike other companies. This will build a solid foundation for students to have a robust and long career.

Please inform us on the further procedures to initiate the campus hiring in your institution. Looking forward for your confirmation and long-term co-operation.

Note:- Attached the JD for your reference

With Regards,

Thank you and have a good day...!!!

Dear Madam/Sir,

Greetings from Efftronics...!!

We feel very happy and would like to take opportunity to hire the candidates from your organization.

As per our telephonic conversation, we are here with confirming the Campus drive date on **14-Sep-2022**

and providing the following online link which has to be provided to the aspirants for the registration on **14-Sep-2022** .

Online Exam schedule date 14-Sep-2022, at 02:30 PM.

(Online registration and exam link) : https://candidate.speedexam.net/register.aspx?site=efftronics

Group Name:

(i) V.K.R, V.N.B & A.G.K ENGG COLLEGE, GUDIVADA @ EMBEDDED ENGINEER [EEE-ECE-IOT]-2022-23

(ii) V.K.R, V.N.B & A.G.K ENGG COLLEGE, GUDIVADA @ SOFTWARE ENGINEER [CSE-IT- MCA-IOT]-2022-23

Note: Hence, it is an online test we request all the aspirants to register as per their branch for the smooth flow of the process.

Selection Process:

- Written Test
- Technical Interview
- Technical Final round
- HR Interview
- Fitness Test

EMBEDDED ENGINEER

S.No	Topic
1	Circuit Theory
2	Control Systems
3	Aptitude
4	Physics
5	Basic Electronics
6	Digital Electronics
7	Data Communication
8	Instrumentation
9	Micro Processors& Peripherals
10	Programming in Assembly and "C"
11	Mathematics

SOFTWARE ENGINEER

S.No	Topic
1	Combinational Logic Circuits
2	Sequential Logic Circuits
3	Software Programming
4	Protocols
5	Algorithms
6	Oops concepts
7	Computer Organization & architecture
8	DBMS
9	Physics
10	Mathematics
11	Aptitude

TERMS & CONDITIONS:

1. There would be **2.5 years** agreement with the company wherein the Candidate needs to submit all his/her original Certificates for the agreement period.
2. Training period would be for a maximum period of 6 months.

4. Minimum of 70% throughout their academics

Below given the CTC details and Job Description , Knowledge and Capabilities required for each position

Function	Role	Qualification	Pay scale - CTC
R&D	Embedded Engineer	B. E. / B. Tech. (EEE, ECE, EIE)	Embedded Engineer – 5.3 Lakh p.a. Embedded Developer – 6.8 Lakh p.a. IoT Engineer – 8.2 Lakh p.a.
R&D	Software Engineer	B. E. / B. Tech. (CSE, IT)	Software Engineer – 5.3 Lakh p.a. Software Developer – 6.8 Lakh p.a. Platform Developer – 8.2 Lakh p.a.

#1 Embedded Engineer/Embedded Developer

Job Role: The primary purpose of Embedded Engineer is to implement and test IoT based smart solutions and deliver outcomes within scope, quality, time, and cost constraints. Explore and evaluate new technologies, implement algorithms, develop test plans, and perform system testing.

Job Responsibilities:

- Work as a part of product development team to develop IoT based smart products and solutions.
- Work hands-on with all aspects of research and development in identifying, exploring, and evaluating new technologies
- Follow Product Development Life Cycle, generate work products – Design, Code, Test Plans, Test Reports, Manuals etc.
- Implement Algorithms
- Act as interface with R&D, production, and business arms to support customer project needs

Key Requirements:

- Minimum of 70% throughout their academics
- Good Knowledge of Analog Electronics
- Sound understanding of Digital Systems – Proficient in truth table and state machine approaches
- Must be exceptionally good in C- Programming, testing/debugging and in advanced C-concepts like pointers, structures, unions, interrupts etc.)
- Proficient in usage of data structures as per program needs and shall be able to write algorithms
- Proficient in ARM micro controllers and peripheral like - RS232, RS485, I2C, SPI, Ethernet, Bluetooth, Wi-Fi, ZigBee etc.
- Good knowledge about sensors and static characteristics
- Should be able to understand datasheets, its parameters and consideration of them in design
- Should be able to reverse engineer circuits / programs
- Good Knowledge of using IDE tools like Keil MDK ARM
- Good Knowledge of using Measuring Instruments and tools – Digital Multimeter, CRO, Function generators etc.
- Excellent mathematical skills.
- Good written and verbal communication skills
- Hands-on knowledge on MSOFFICE tools.

Subject: Pleasure to Invite you for an ON CAMPUS PLACEMENT DRIVE for final year B.Tech 2023 pass out students of V.K.R, V.N.B & A.G.K COLLEGE OF ENGINEERING, Gudivada, AP.

Dear HR Team,

Greetings from V.K.R, V.N.B & A.G.K COLLEGE OF ENGINEERING!!!

We are pleased to invite you for an Oncampus Placement Drive for final year B.Tech 2023 pass out students of V.K.R, V.N.B & A.G.K COLLEGE OF ENGINEERING, Gudivada.

Please find the attached students details 2023.

We feel immensely happy to introduce ourselves as one of the leading engineering colleges of Andhra Pradesh owned and managed by (GATE) General and Technical Education Society, Gudivada. Under the aegis of (GATE) General and Technical Education Society, V.K.R, V.N.B & A.G.K established in the year 2008 successively.

Our Achievements

- V.K.R, V.N.B & A.G.K is **ISO CERTIFIED - 9001 - 2015**.

- Our college is recognized by **AICTE, New Delhi.**

- Our college is affiliated to **JNTUK.**

- V.K.R, V.N.B & A.G.K has **ICT & ORACLE Academy membership.**

- Our college was awarded with **A Grade** by Government of Andhra Pradesh in the year 2010.

- Our campus is certified as **INNOVATIVE CAMPUS** by **ISSRD** (International Society for Scientific Research and Development), Bangalore in the year **2014.**

- We had an **MOU with HCL** from 2012 to 2017 for conducting Projects of CSE & ECE students.

- **Saab AB** is a Swedish aerospace and defence company. Between 2012 and 2016 the company trained the students of Mechanical & Civil branches. The Swedish Ambassador expressed utmost satisfaction over the performance of our students.

- MOU with **Hire-Mee** is done in the year 2016 as per the guidelines of **JNTUK.** Students were imparted with training in **Soft Skills.**

- Two students from ECE namely Anila & Brahma Satya Sree **topped JNTUK University First place** with **98.5%** in Sem end examinations.

- The Principal and Heads of Departments were felicitated with **Upaadhyaya Puraskaar** by **Lions International.**

- Our college has an **Industry-Institute Partnership Cell** striving hard to bridge the gap between **Industries & Institute**, to foster effective interaction between Industry and Institute to impart meaningful education and to promote industrial consultancy & entrepreneurship.

- The alumni of this institute occupy very good positions **in Business, Industry, R&D and Academia** in **India and abroad.**

- Two students bagged gold medals in **National Olympics** conducted in New Delhi and 1 student was awarded with **National Youth Award at Shastri Bhavan, New Delhi.**

Our Strength

- Highly qualified & experienced faculty.

- State of the art laboratories with latest equipment.

- Free hostel facility for SC/ST/BC students for Boys and Girls separately.

- Our Internal trainers are well qualified and with a lot of Industrial Real Time Experience from Chennai.

Courses Offered

- B.Tech (CSE, ECE, EEE, MECHANICAL & CIVIL)

- M.Tech (CSE, VLSI, Thermal Engg)

- MBA (Finance, Human Resource and Marketing)

- Polytechnic (DECE, DEEE & DCE)

Our college has made a mark in attracting students from across the state and outside the state along with competing and experienced faculty members to maximize its education and training inputs most effectively. The full fledged laboratory setup, library, computer labs, highly motivated workforce and timely quality inputs provided by dedicated faculty members have resulted in enabling the students to find themselves in reputed organizations. Our students are placed in companies like Oracle,Tcs,Wipro,Syntel, Hcl, Gestamp etc...

It would certainly be our pride and pleasure to have the presence of you in our institutes for conducting a campus drive for our students. We are sure our students will be found up to your mark and will progressively contribute to your organization with their sincere efforts.

Dear Sir/Madam,

Greetings from NIIT-IFBI!

Established by NIIT in association with ICICI BANK, IFBI reflects the strengths of both these parent companies.

The key focus area of IFBI is to address the manpower challenges of multi-skilled and trained professionals in BFSI sector. IFBI is actively engaged in re-skilling existing professionals in the Financial Services sector - who are being overwhelmed by recent economic reforms, technology advancements and changes in attitude & approach in this sector.

Since inception in September 2006, IFBI has launched over **50,000+ careers** in leading organizations of the Banking and Financial Services Industry.

Currently **NIIT-IFBI is running a flagship program as a training partner for ICICI bank**. The program is intended to train candidates for the role of Relation Manager at ICICI bank. The programs entails a 45 day fast track classroom training followed by 3 month internship. However to enroll in the program candidate needs to go through the selection process.

Please find attached file for the **ENDORSSEMENT LETTER** from **ICICI** for your reference.

Please find below the eligibility and Job details for the same.

Designation :- Relationship Manager

CTC:-   2.30 to 2.60 Lacs PA

Job Location :- PAN India Branches

Qualification :- Any Graduate and Post Graduate (Scoring 50% and above in 10th ,12th & Graduation)

Age:- Should be born on or after 1st Feb, 1996

Henceforth we seek your consent for an **open house interview for graduate students and shortlisting eligible candidates**. Those selected through selection process will have to undergo paid training post which they will be offered branch joining across the country.

Looking forward to meet you and with your support would like to take this initiative forward. Please feel free to call me at 9928061031.

Cc: vkr t&p <vkrtpocell@gmail.com>, Satish Sir <satish@focusacademy.in>

Dear Sir,

Greetings from FACE! India's largest Skill Development Organisation!!!

We work in the talent space making a positive impact on learners pursuing their Higher Education and working professionals. Our solutions are highly customized by embracing technology and conventional tutor based learning methods. We have made a positive impact on 20,00,000+ students from 1500+ Institutions (which includes top institutions like IITs and NITs) and 10,000+ graduate workforce from 600+ enterprises(which includes companies like Capgemini, CTS, and Infosys).

FACE has a commendable ten-year track record in helping students prepare for the TCS selection process and get them ace the interview. A few quick facts about our TCS expertise

   § 100% Repetition of concepts taught by FACE
   § 57.5% of FACE Questions
   § 100% test conversion – the highest in the country at JNTU – Hyderabad
   § 24,162 students out of 26,600 students who secured job offers from TCS in the year 2018 – 2019 were trained by FACE; that's more than 90% impact on the final outcome.

As per the discussion we had, I'm sharing proposals for TCS NQT Specific Training for our esteemed institution's students. We are glad to appreciate the need for necessity of quality training to your students.I have attached the detailed proposal elaborating about the course structure, mode of delivery and other details pertaining to the program.

TCS has plans to recruit a significantly higher number to what they did last year and We strongly believe this would be a great chance for your students to get a job offer with a package of 3.5LPA from India's Largest IT Enterprise. we see this as a great opportunity to help the students land their dream job. We are very keen on helping your students chase their chosen career aspirations.

For any further clarifications please feel free to reach me at 95053 99955.

Regards,
Sajjan.

Naveen,

As discussed, we would like to visit VKR Campus on 03-Jan-2020 (Friday) along with a team of 5 people and below are the details of the program:

Eligibility criteria of the student:

- Engineering students from final year who would complete their graduation by May 2020.
- Final year students from MCA or M.Sc (Computers) are also eligible
- Aggregate percentage (or) GPA should be >=70% 7.0 GPA
- No standing arrears.

We assume that the list of students shared by you (70 no.s) meet the above mentioned criteria. Below is the hiring process:

Step 1:   Online Screening Test

Step 2:   Hackathon (For Step 1 selects)

Step 3:   Technical Evaluation (For Step 2 selects)

Step 4:   HR Discussion (For Final Selects)

Requirements:

- Computers to conduct online test for the number of students appearing for the drive.
- Computers configured with C, C++, Java, Python for Hackathon.
- 3-4 discussion rooms to conduct interviews.
- 2-3 students volunteers for coordination.

The online test is conducted using Nicefit tool and we request the students to sign-up to save the registration process:

NiceFit New user registration process

Step 1:-Log on to https://nicefit.in/portal/Home/login

Step 2:-Click on (Sign up to get started)

Step 3:-Provide Name, E-mail, Create password (Hope students can access their personal email from the test system)

Step 4:-An activation link will be sent to the mail given in (Step 3)

Step 5:-Open the mail provided in (Step 3) and click on the activation link sent by NICEFIT, As soon as we click on the activation link the account will be activated

Please reach me for any further clarifications.

Thanks!
