PROGRAM REPORT

Name of the program: Sankranti Sambaralu-2022

Date of the program: 8-01-2022

It is a harvest festival celebrated in South India. Sankranti is perhaps the only Indian festival that falls on the same day every year. At assembly, students were introduced to how Sankranti is celebrated. As part of the celebrations at collage, during the time, engineering students rode on colourfully decorated bullock carts to the field where students and staff had a great time flying their kites with varying degrees of success.

The entire college wore colourful look with Rangolis. Students decorated the rangolis by keeping “GOBBEMMAS” at the centre of Rangolis. The initiative was appreciated by Dr S. H. V PrasadaRao, principal of our college and in his Sankranti wishes message, he addressed the students to fly on their dreams and appreciation like kites, but say grounded on your values, like the string that holds the kite.
