Title of the Event:	Blood Donation Camp
Event Start Date:	16/10/2019
Event End Date:	16/10/2019
Description:	<p>Voluntary blood donors are the cornerstone of a safe and adequate supply of blood and blood products. The safest blood donors are voluntary, non-remunerated blood donors from low-risk populations. For a safe blood service in our country, where comprehensive laboratory tests are neither possible nor pragmatic, it is best to switch over to 100% voluntary donations, as it is now established that only voluntary non-remunerated regular donation is the safest. Thus, one of our key strategies to enhance blood safety is to focus on motivating non-remunerated blood donors and phasing out even replacement donors.</p>

Description:	We organized Say No To Plastic Program involving NSS Volunteers to give awareness on use of plastic is harmful to nature and the plastic cannot be decomposed. Hence the discarded plastic will keep piling up on the earth's surface. Even though plastic can be advantageous to us, they also are a disadvantage to our existence. One disadvantage of plastic is that it is non-biodegradable.

Description:	<p>Today, sports are essential for students' overall growth and development. Playing various sports helps them teach life skills such as teamwork, leadership, accountability, patience, and self-confidence and prepares them to face life challenges. Students get a chance to work on their physical and mental abilities to achieve goals in their life. We can realize the importance of sports in our daily life through a variety of national and international sports events organized all over the world where different players represent their countries and showcase their sporting capabilities. Additionally, the learning of a student starts from the primary level and sports help students develop a strong mental and physical foundation from an early age. Our college NSS Volunteers have conducted different sports to the school children and awarded prizes to the children by conducting valedictory function at Z.P.H.S, Nandivada.</p>

Program Report

NSS Unit Code:	90214608
Title of the Event:	Blood Donation Camp
Event Start Date:	07/03/2020
Event End Date:	07/03/2020
Description:	<p>Voluntary blood donors are the cornerstone of a safe and adequate supply of blood and blood products. The safest blood donors are voluntary, non-remunerated blood donors from low-risk populations. For a safe blood service in our country, where comprehensive laboratory tests are neither possible nor pragmatic, it is best to switch over to 100% voluntary donations, as it is now established that only voluntary non-remunerated regular donation is the safest. Thus, one of our key strategies to enhance blood safety is to focus on motivating non-remunerated blood donors and phasing out even replacement donors. Many of our Students had participated in the program held at N.G.O's Home, Gudivada.</p>
