# GONNA INSTITUTE OF INFORMATION TECHNOLOGY & SCIENCES

(Approved by AICTE - New Delhi, Affiliated to JNTU Gurajada Vizianagaram  
SBTET - Vijayawada)

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this date 2<sup>nd</sup> February 2022.

Gonna Institute of Information Technology and Sciences - [GIITS], represented here in by its Principal Dr. T. Venkateswara Rao garu as Second party.

And

Gonna Institute of Information Technology and Sciences, represented here in by its Principal Dr.T. Venkateswara Rao garu as First party.

(First Party and Second Party are here in after jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

- a) First party named as **Gonna Institute of Information Technology and Sciences** is the education and its system that makes the country great, strong and to develop. Highly trained and skilled professionals will be needed in vast numbers to enable our country's transition towards industrial and financial self-sufficiency. Second Party is a Higher Educational Institution named as **VKR, VNB and AGK College of Engineering** established in the year 2008. It is a self financing institution which owes its foundation to the bold and inspired vision of General and technical education society of Gudivada. So the demand for quality technical education in India is huge. The knowledge that you will gain, the fine qualities that you will imbibe and the technical skills that you will learn to apply will be your major contribution to your parents, to society, and to the nation.
- b) First Party and Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- c) The parties intent to cooperate and focus their efforts on cooperation with in area of Skill Based Training, Education and Research.
- d) Both the parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests for 2years time period.
- e) **Gonna Institute of Information Technology and Sciences** - the Second Party is also engaged in Academics, Surveys, Skill Development, Education and R&D Services.
- f) **VKR, VNB & AGK College of Engineering**, the first party is engaged in Academics, Surveys, Skill Development, Education and R&D Services.

# GONNA INSTITUTE OF INFORMATION TECHNOLOGY & SCIENCES

(Approved by AICTE - New Delhi, Affiliated to JNTU Gurajada Vizianagaram  
SBTET - Vijayawada)

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FOR THIS MOU,  
THE PARTIES HERE TO AGREE AS FOLLOWS:

## CLAUSE-I CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## CLAUSE-2 SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

# GONNA INSTITUTE OF INFORMATION TECHNOLOGY & SCIENCES

(Approved by AICTE - New Delhi, Affiliated to JNTU Gurajada Vizianagaram  
SBTET - Vijayawada)

- 2.2 Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 Research and Development: Both Parties have agreed to carry out the joint research activities in the particular fields.
- 2.5 Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in-house requirements.
- 2.7 Faculty Development Programs: Second Party to train the Faculty of the First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 Placement of Trained Students: Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 50% of the trained students.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified.

## CLAUSE 3

### INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

## CLAUSE 4

### VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Gonna Institute of Information Technology and Sciences**, the Second Party **VKR, VNB & AGK COLLEGE OF ENGINEERING**, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of Training Partner or **Gonna Institute of Information Technology and Sciences**, the Second Party **VKR, VNB & AGK College of Engineering** after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

## CLAUSE 5

### RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **VKR, VNB & AGK College of Engineering** and **Gonna Institute of Information Technology and Sciences** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MOU shall be resolved by arbitration between the parties as per the Arbitration Act 1996.

## MEMORANDUM OF UNDERSTANDING (MOU)

BETWEEN

Daita Madhusudana Sastry Sri Venkateswara Hindu College of Engineering,  
Manginapudi Beach Road, Machilipatnam – 521002

AND

VKR, VNB and AGK College of Engineering, Gudivada, Krishna District,  
Andhra Pradesh-521301

**This Memorandum of Understanding (here in after called as the 'MOU') is entered into on this date 13<sup>th</sup> September 2021.**

**Daita Madhusudana Sastry Sri Venkateswara Hindu College of Engineering** represented here in by its Principal **Dr. D.Srinivasa Rao** as First party.

And

**V.K.R, V.N.B and A.G.K ,College of Engineering**, represented here in by its Principal **Dr. S. H. V. Prasada Rao** as Second party.

(First Party and Second Party are here in after jointly referred to as 'Parties' and individually as 'Party')

**WHEREAS:**

First Party is **Daita Madhusudana Sastry Sri Venkateswara Hindu College of Engineering** to produce dedicated and high quality engineers who are useful to the society and who can practise their profession with honesty and integrity. Second Party named as a Higher Educational Institution named as **V.K.R, V.N.B and A.G.K ,College of Engineering** established in the year 2008. It is a self financing institution which owes its foundation to the bold and inspired vision of General and technical education society of Gudivada. First Party and Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

- a) The parties' intent to cooperate and focus their efforts on cooperation with in area of Skill Based Training, Education and Research.
- b) Both the parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests for **2years** time period.
- c) **Daita Madhusudana Sastry Sri Venkateswara Hindu College of Engineering**, the first party is engaged in Academics, Surveys, Skill Development, Education and R&D Services.
- d) **V.K.R, V.N.B and A.G.K, College of Engineering** - the Second Party is also engaged in Academics, Surveys, Skill Development, Education and R&D Services.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FOR THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:**

**CLAUSE-I**

**CO-OPERATION**

- 1 .1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1 .2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1 .3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## CLAUSE-2

### SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 Research and Development: Both Parties have agreed to carry out the joint research activities in the particular fields.
- 2.5 Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in-house requirements.
- 2.7 Faculty Development Programs: Second Party to train the Faculty of the First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

2.8 Placement of Trained Students: Second Party will actively participate in pool campus drives and Job Mela.

2.9 First Party into internships/jobs; and will facilitate placements for the trained students.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified.

### CLAUSE 3

#### INTELLECTUAL PROPERTY

3.1 Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### CLAUSE 4

#### VALIDITY

4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **Daita Madhusudana Sastry Sri Venkateswara Hindu College of Engineering**, the Second Party, **V.K.R, V.N.B and A.G.K** ,College of Engineering as the case may be, will take effective steps for implementation of this MOU. Any act on the part of Training Partner or **Daita Madhusudana Sastry Sri Venkateswara Hindu College of Engineering** the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.

4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

**CLAUSE 5**

**RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that V.K.R, V.N.B & A.G.K College of Engineering and Daita Madhusudana Sastry Sri Venkateswara Hindu College of Engineering are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MOU shall be resolved by arbitration between the parties as per the Arbitration Act 1996.

## CLAUSE-2

### SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 Research and Development: Both Parties have agreed to carry out the joint research activities in the particular fields.
- 2.5 Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in-house requirements.
- 2.7 Faculty Development Programs: Second Party to train the Faculty of the First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

(First Party and Second Party are here in after jointly referred to as 'Parties' and individually as 'Party')

#### WHEREAS:

First Party **RAMACHANDRA College of Engineering** is a vibrant, forward looking Institution offering a high quality learning experience with a welcoming and friendly environment. RCE aims at establishing academic credibility as an Institution offering dynamic UG Engineering programs, Industry Interface, Research and Consultancy. RCE has a team of highly experienced, well qualified and dedicated faculty members in all disciplines. Second Party named as a Higher Educational Institution named as **V.K.R, V.N.B and A.G.K College of Engineering** established in the year 2008. It is a self financing institution which owes its foundation to the bold and inspired vision of General and technical education society of Gudivada. The parties intent to cooperate and focus their efforts on cooperation with in area of Skill Based Training, Education and Research.

Both the parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests for 3 years time period.

- a) **RAMACHANDRA College of Engineering**, the first party is engaged in Academics, Surveys, Skill Development, Education and R&D Services.
- b) **V.K.R, V.N.B and A.G.K College of Engineering** - the Second Party is also engaged in Academics, Surveys, Skill Development, Education and R&D Services.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FOR THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:**

### CLAUSE-I

#### CO-OPERATION

- 1 .1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1 .2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1 .3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

### CLAUSE-2

#### SCOPE OF THE MOU

2.1 The budding graduates from the institutions could play a key role in technological up gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

2.2 Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

2.3 Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and . Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

2.4 Research and Development: Both Parties have agreed to carry out the joint research activities in the particular fields.

2.5 Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

2.6 Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in-house requirements.

2.7 Faculty Development Programs: Second Party to train the Faculty of the First Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

- 2.8 Placement of Trained Students: Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least 50% of the trained students.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programmes on the terms specified.

### CLAUSE 3

#### INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, or otherwise, create in either Party any right, title interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

### CLAUSE 4

#### VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **RAMACHANDRA College of Engineering**, the Second Party **V.K.R, V.N.B and A.G.K College of Engineering** as the case may be, will take effective steps for implementation of this MOU. Any act on the part of Training Partner or **RAMACHANDRA College of Engineering** the Second Party **V.K.R, V.N.B and A.G.K College of Engineering** after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

### CLAUSE 5

#### RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that V.K.R, V.N.B and A.G.K College of Engineering and RAMACHANDRA College of Engineering are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MOU shall be resolved by arbitration between the parties as per the Arbitration Act 1996.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FOR THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

## CLAUSE-I

### CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

## CLAUSE-2

### SCOPE OF THE MOU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 Curriculum Design: Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 Industrial Training & Visits: Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 Research and Development: Both Parties have agreed to carry out the joint research activities in the particular fields.
- 2.5 Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in-house requirements.
