- Barcode integrated library module
- Login for students/ Parents to access data online

MODULES ARE AS FOLLOWS

1. ADMISSIONS
2. ACADEMICS
3. EXAMINATIONS
4. LIBRARY

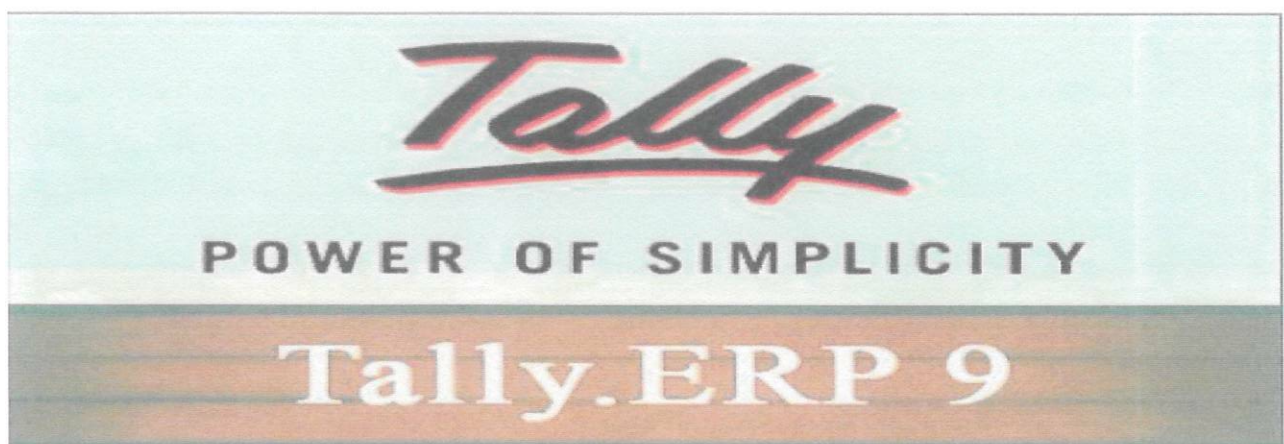

BENEFITS OF E-CAP WEBPROS SOFTWARE

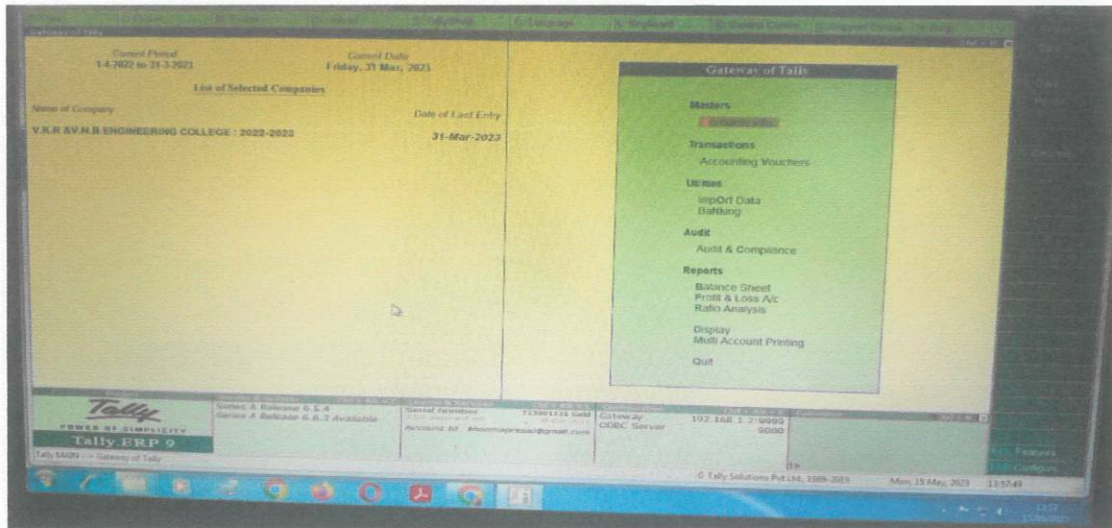

E-CAP Web pros software will help in managing the entire systems from academics to administration. It is designed and developed to provide real help in managing enrollment of students, attendance, monitoring faculty, maintain timetables, sessional and final marks entry, view sessional and final marks, sending messages to students and parents regarding marks, fee dues, etc and any academic information. It allows teachers, students, parents and administrators to remain in touch with each other. It is for better communication and services.

2. FINANCE AND ACCOUNTS

Tally is the software which is used for accounts and finance. Different modules are used from the software to make work easier. Tally is mainly used for final accounts purposes, payments, receipts and ledgers.

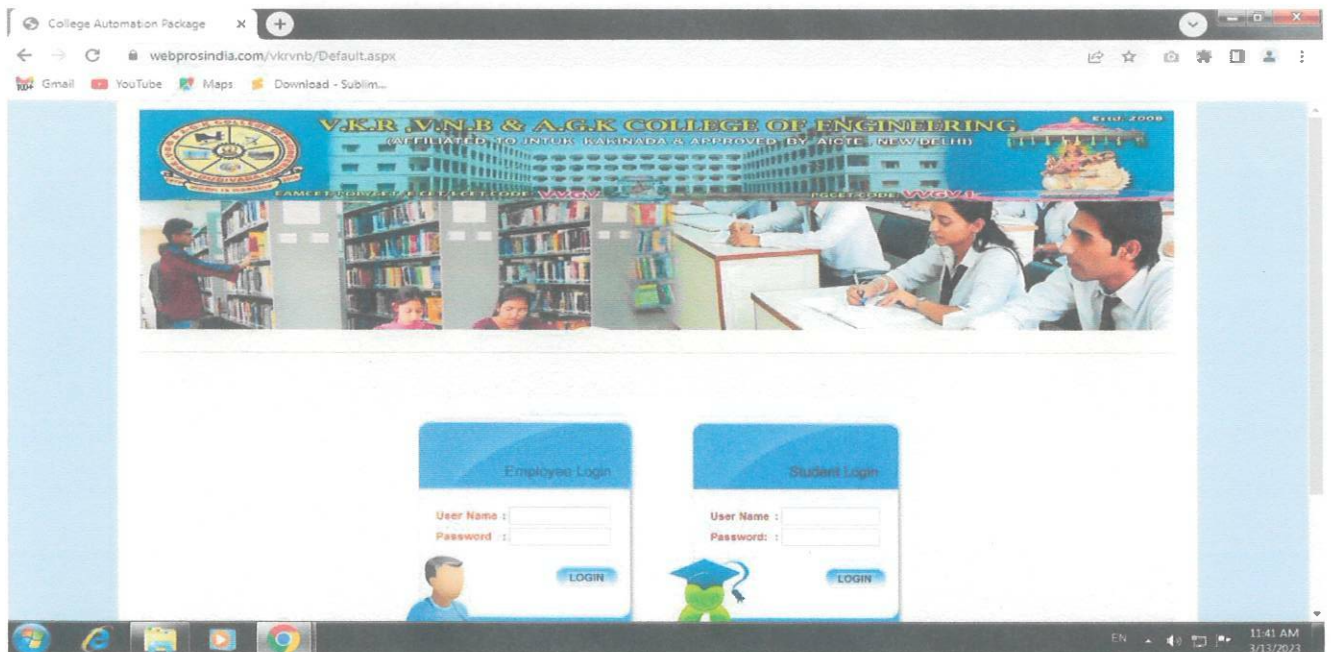

3. STUDENT ADMISSION AND SUPPORT

E-CAP WEBPROS:

It is a digital tool that helps educational institutions to manage the student enrolment process effortlessly.

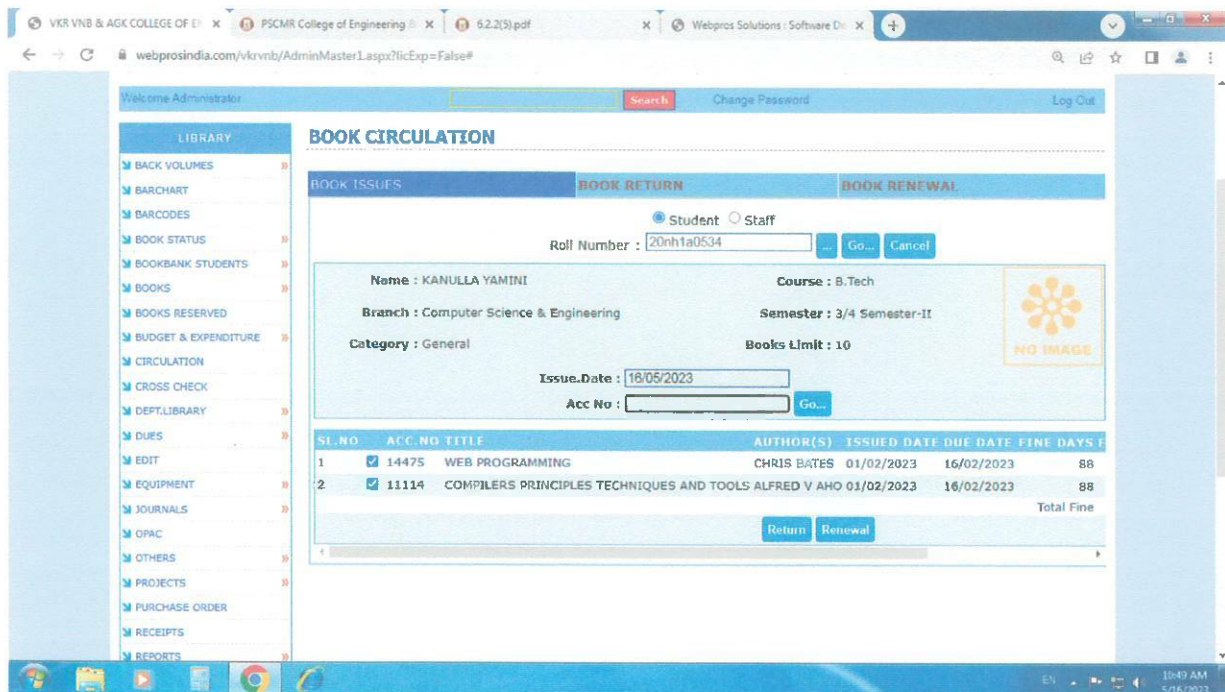

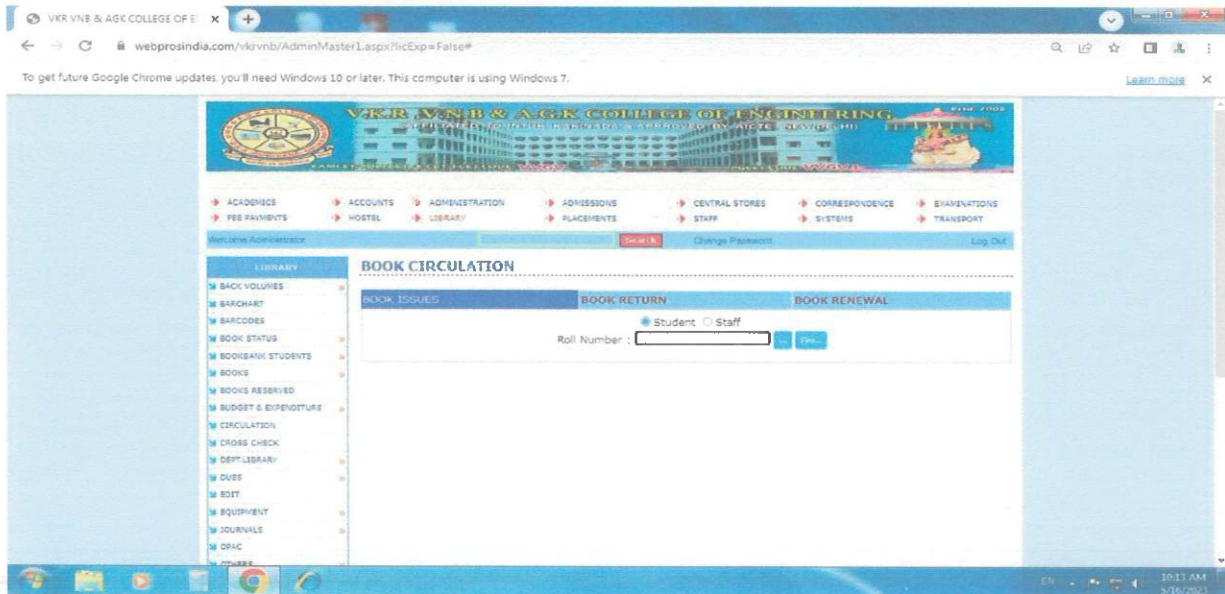

The admission module consists of the following important sub-modules.

- Allot Roll Numbers
- Admission details

E-CAP LIBRARY:

It is a fully featured, scalable library management system used to maintain record of the library. It stores the data regarding issues and return of books borrowed by students and faculty members with the respective submission dates, searching titles, journals and other library reports. Moreover, it is also reduces the manual record burden of the librarian.

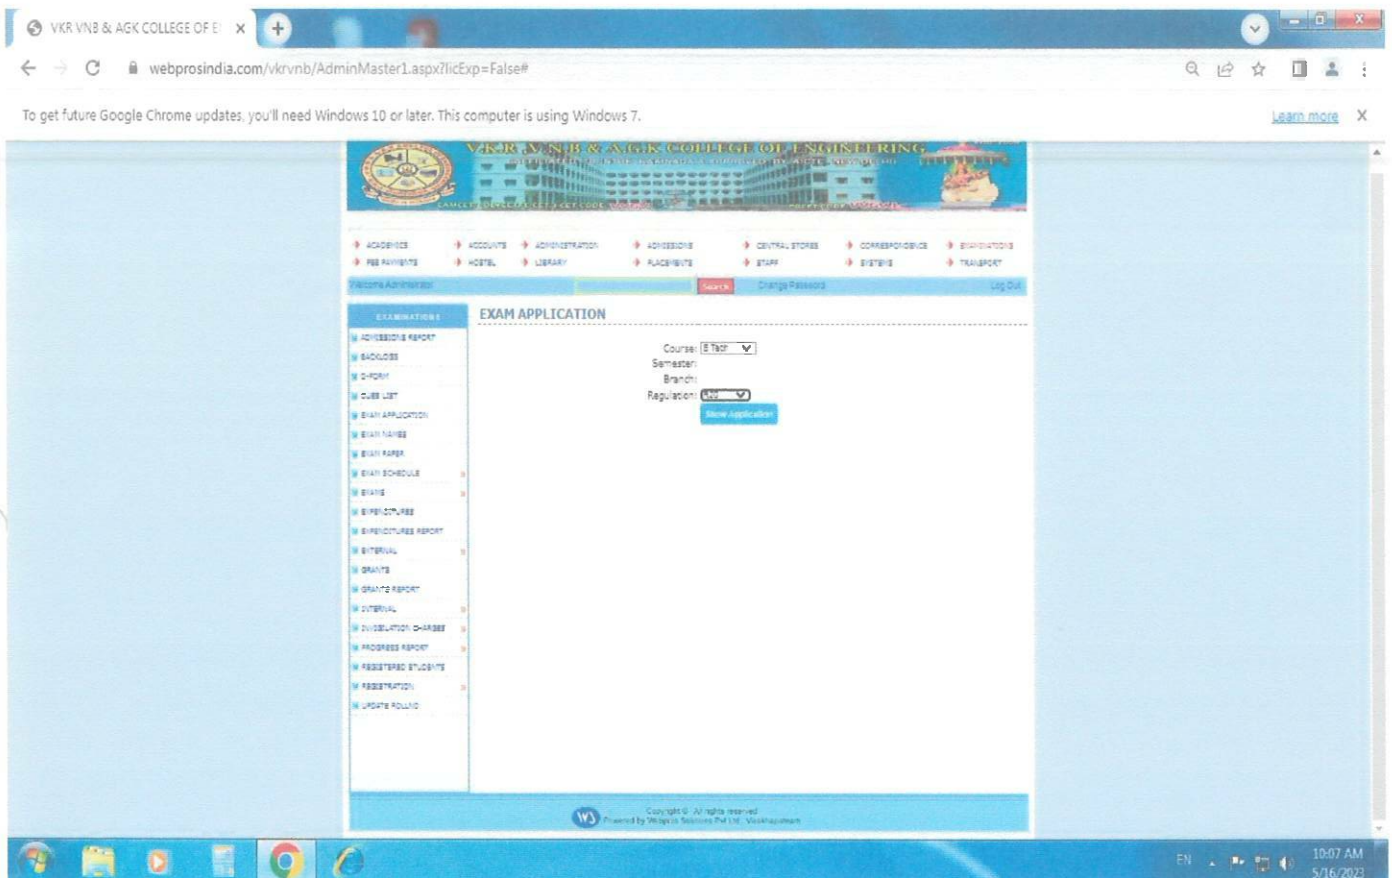

4. EXAMINATION

Students and faculty can track the details of examinations using Ecap software designed by Web pros solutions. Exam details include internal and external marks, student backlog report, result analysis, toppers report etc. All sub-modules of examination are not visible to students. Role permissions are assigned by the software admin.

The examination module consists of the following important sub-modules.

- Enter sessional marks
- Edit sessional marks
- Manage final marks
- Student backlog list
- Result analysis report
- Toppers list
- Subject wise failure list

- ACADEMICS
- ACCOUNTS
