ABOUT THE INSTITUTION

VKR, VNB & AGK College of Engineering, Gudivada established in the year 2008 is one of the best known self-financing co-educational institutions aiming to achieve excellence in Engineering Education. It is governed by General & Technical Educational Society (GATES) to uplift aspiring students with a good academic background. It offers six UG programmes (B.Tech in ECE, CSE, EEE, Mechanical, Civil, and Petroleum Engg) and four PG programmes (M.Tech in VLSI, CSE, Thermal Engineering and MBA). It has a strong Industry-Institute Partnership Cell, Entrepreneurship Development Cell and R&D Cell to enhance the practical knowledge of the student.

ABOUT THE DEPARTMENT

The Department of CSE established in the year 2008 offers a full time Four year B.Tech degree programme in COMPUTER SCIENCE & ENGINEERING and two year M.Tech degree programme in CSE specialization. It has well equipped laboratories and an excellent library. It has experienced and highly qualified faculty members to impart knowledge in the areas of Data Mining, Networking, Cloud Computing and Software Engineering.

ABOUT THE FDP

The One Week Faculty Development Program on "INTERNET OF THINGS" Gives an overview to the advanced technologies with direct exposure to IOT .

Eminent resource persons from a reputed organization.

This FDP would also give an exposure and hands on training to the participants in

- Introduction to IOT
- IOT Applications,
- IOT projects
- Protocol stack in IOT
- Sensors in IOT
- Research topics in IOT

Date: 10/02/2020

PROGRAM REPORT

Name of the program : A One week FDP on INTERNET OF THINGS
Organized by : Department of Computer Science & Engineering
Date : 03/02/2020 to 07/02/2020
Resource person: : Mr. Vishnu Vardhan Battu
Asst. Prof., P V P Siddhartha Institute of Technology,
Vijayawada

Objective:

The aim of this programme is to introduce the participants to the amazing world of IoT and its fascinating applications. IoT is the idea of making devices and objects smarter by linking them to the internet. This technology frontier (IoT) with immense engineering applications is the need for today's industry and academia. This FDP serves as a platform to train and educate the research scholars, faculty, and people from industry to interact on cuttingedge technologies in this emerging area

About the FDP:

The Faculty Development Program is organized with a vision to enhance the technical and practical aspects of fundamental and advanced subjects of engineering technology which play vital role in making the roots of education stronger. This program is about Introduction to IoT, Current products, Open source electronics for IoT, IoT languages and its tools, Communication protocols, interconnections, system design and development, latest sensors and actuators, IoT cloud, Image processing applications in

IoT, Data management and big data analytics in IoT, Research issues and case studies in IoT and is conducted from 03rd – 07th FEB, 2020 in association with COIGN. After interacting with the faculty of CSE Department and in view of recent advances going on in IoT, decision is taken in favor of conducting FDP on IoT. Mr. G. Venkata Rathnam, HoD of CSE directed Mr. K.Jeevan kumar to prepare a proposal for the same. After preparing the proposal to conduct the FDP, it is approved by the Principal Dr S.H.V. Prasada Rao and formal permission is taken.

Outcome:

Participants would be familiar with IoT systems and applications, Participants would be able to work with various sensors and actuators. Participants would be able to design an IoT - smart system using Bluetooth module and ESP8266. Participants would be able to integrate sensors with cloud and access real time data.

Total no. Of Participants: 28

Resource person: Mr. Vishnu Vardhan Battu presenting about IoT Applications

Resource person: Mr. Vishnu Vardhan Battu presenting about IoT Boards

ABOUT THE INSTITUTION

V.K.R, V.N.B. & A.G.K. College of Engineering, Gudivada established in the year 2008 is one of the best known self-financing co-educational institutions aiming to achieve excellence in Engineering Education. It is governed by General & Technical Educational Society (GATES) to uplift aspiring students with a good academic background. It offers five UG programs (B.Tech in ECE, CSE, EEE, Mechanical, and Civil) and four PG programmes (M.Tech in VLSI, CSE, Thermal Engineering and MBA). It has a strong Industry-Institute Partnership Cell, Entrepreneurship Development Cell and R&D Cell to enhance the practical knowledge of the student.

ABOUT THE DEPARTMENT

The Department of E.E.E. was started in the year 2008 with intake of 60 students. From 2017 onwards the intake is 30 students. The department has good infrastructural facilities and is equipped with full fledged laboratories such as Electrical Machines Lab, Power Electronics Lab and Electrical Measurements lab. As part of the curriculum, industrial visits are arranged for students. The department has highly qualified and experienced faculty.

ABOUT THE FDP

This FDP is intended for beginners having less prior programming experience or knowledge of MATLAB. It aims at developing MATLAB competency in a natural way with an emphasis on hands-on examples of Engineering Mathematics. An introduction to MATLAB User Interface, Development tools and Programming techniques, Building GUI's by own, Generating Executable files and Stand-alone applications. Applications of Simulink, Symbolic Math, MATLAB applications demonstration.

TOPICS COVERED

- Introduction to MATLAB, Vectors and Matrices.
- Built-in functions, M-files, script and functions.
- Introduction to Simulink.
- Building Graphical user interface (GUI). Sourcing papers from top tire publishers.

ABOUT COLLEGE

V.K.R, V.N.B. & A.G.K. College of Engineering, Gudivada established in the year 2008 is one of the best known self-financing coeducational institutions aiming to achieve excellence in Engineering Education. It is governed by General & Technical Educational Society (GATES) to uplift aspiring students with a good academic background. It offers five UG programs (B.Tech in Civil, EEE, Mechanical, ECE, and CSE) and four PG programmes (M.Tech in VLSI, CSE, Thermal Engineering and MBA). It has a strong Industry-Institute Partnership Cell, Entrepreneurship Development Cell and R&D Cell to enhance the practical knowledge of the student.

ABOUT DEPARTMENT

The Department of CSE established in the year 2008 offers a full time Four year B.Tech degree programme in COMPUTER SCIENCE & ENGINEERING and two year M.Tech degree programme in CSE specialization. It has well equipped laboratories and an excellent library. It has experienced and highly qualified faculty members to impart knowledge in the areas of Data Mining, Networking, Cloud Computing and Software Engineering.

ABOUT PROGRAM

Microsoft Excel is application software which has a lot of applications in the corporate world. MS Excel allows creating the visual representation of data and information to fire-up decision making through bar charts, column charts and graphs. It automatically revises the charts and graphs, once the data gets modified. Tables help to classify different entities according to their characteristics and features.

Summary Report

“One Day Training Program on Basic Electronics”

Department of Computer Science and Engineering

Event Type: One Day Training Program

Date: 14-07-2019

Resource Person: Mr. T.Mothilal M.Tech, Assistant Professor

Target Audience: Non-Teaching Staff

Objective of the Program:

- To provide participants a platform for understanding Excel
- To allow the participants to learn the use of more sophisticated tools of Excel
- To train participants through practical sessions on data handling & analysis
- To allow the participants to complete the task and analyze the data more quickly
- To interpret output tables and report findings

Outcome of the Program:

- Able to understand the basics of MS-Excel Concepts
- Understand the formula creations and understand the use of shortcut keys
- Able to know the all functionalities in MS-Excel.
- Able to design the different types of charts and able to know data analyzing.

Feedback / Suggestions: Faculty feedback was given about program and they are really enjoyed the training program.
