DEPARTMENT OF MBA

MINUTES OF MEETING (05-08-2025)

At the outset, the Chairman, BOS Department of MBA, welcomed all members of Board of Studies and special invitees present in 2nd meeting of Board of Studies, Department of MBA and briefed about the agenda to be discussed. The following agenda items were placed by the Chairman and decisions were taken after detailed deliberations:

Agenda for the Meeting:

1. Preparation of course structure and deciding specializations for VKR-24 regulation of Department of MBA (III & IV Semesters of Management subjects) in view of objectives of the college.
2. Suggestions on preparation of course structure & syllabus for VKR-24 Regulation.
3. Any other points.

Agenda-1: Preparation of course structure and deciding specializations for VKR-24 regulation (for MBA III & IV Semesters) in view of objectives of the college.

Resolution: The BOS members reviewed the course structure and discussed the specializations in the 2nd BOS proceedings. The incorporation of the changes suggested by the member of BOS members was verified, and the course structure was approved for VKR-24 regulations.

Agenda-2: Suggestions on opting specializations for VKR-24 regulation for MBA

The Chairman presented the course syllabus of 8 specializations with 2 electives from each specialization for VKR-24 regulation.

- In MBA III Semester, modifications to the **Operations Research** subject were presented and accepted.

Minutes of the 2nd Academic Council Meeting
Held on 28th November 2025 at 10:00 AM

The Second Academic Council Meeting of VKR, VNB & AGK College of Engineering (Autonomous), Gudivada, was held on **28/11/2025 at 10:00 AM**, via MS Teams platform, chaired by **Dr. S. H. V. Prasada Rao, Principal**.

AGENDA:

1. Approval of the Minutes of the First Academic Council Meeting.
2. Approval of Changes Suggested by the Governing Body to the Committee Structure.
3. Approval of Revised Faculty Representation (Due to Faculty Resignations/Transfers).
4. Approval of M. Tech (VKR-25) Regulations.
5. Approval of MBA Revised Syllabus.
6. Any Other Item with the Permission of the Chair.

MINUTES:

1) Resolution of the First Academic Council Meeting held on 08/11/2024.

The Academic Council reviewed the proceedings of the First Meeting held on 08/11/2024 and unanimously ratified all resolutions, including the approval of the Boards of Studies for all departments, the adoption of the VKR24 Academic Regulations and Course Structures for UG and PG programmes, and the guidelines pertaining to award of degrees, grading systems, and academic requirements. The Council also confirmed the recommendations given by JNTUK nominees regarding the strengthening of APAR & Digi Locker registrations, establishment and enhancement of the Research and Development Cell, encouragement of faculty publications, patents, FDPs, conferences and seminars, and the need for comprehensive placement data with supporting offer letters. These resolutions are hereby approved for implementation across all departments of VKR, VNB & AGK College of Engineering.

2) Changes Suggested by Governing Body to the Committee Structure

The Governing Body recommended replacing the Chartered Accountant with an Industry Expert. Accordingly, **Mr. M. V. Vishal**, Specialist HR, Gestamp Automotive, Chennai was nominated as the Industry Representative. The Council approved and ratified the change.

3) Replacement of Faculty Members in the Academic Council

The principal informed the Council that some faculty members had left the institution. New HoDs and senior faculty were nominated to replace them. The Council approved the updated list.

4) Approval of M. Tech (VKR-25) Regulations

The proposed M. Tech regulations (VKR-25) were presented. After review, the Council approved the new regulations for implementation from AY 2025–26.

5) Approval of MBA Syllabus

The revised MBA syllabus was presented and approved by the Council for implementation from AY 2025–26.

6) Suggestions from Academic Council Members

a) Inclusion of Experts from IITs and NITs in BoS

Prof. MHM Krishna Prasad suggested including faculty from IITs and NITs in future BoS committees. The Council agreed.

b) Encouraging Faculty to Publish in Scopus / SCI Journals

Prof. MHM Krishna Prasad recommended motivating faculty to publish research in Scopus and SCI indexed journals. The Council appreciated and agreed.

c) Offering Quantum Computing as a MOOC Course

Members suggested offering Quantum Computing as a MOOC-based elective (NPTEL/SWAYAM). The Council approved.

d) Conducting Academic Council Meetings Regularly

Prof. Padmaja Rani suggested that AC meetings should be conducted regularly. The Council accepted this suggestion.

e) Presentation of academic results, placement progresses and faculty development initiatives.

The principal presented the I–I and I–II semester results with overall performance analysis, followed by an update on current placement activities and company visits. The Council appreciated the progress and advised strengthening academic support and student training. It also emphasized the need to enhance Faculty Development Initiatives through FDPs, workshops, and research-oriented programs to improve teaching and learning quality.

Conclusion:

The meeting concluded with a vote of thanks to the Chair.

Item No. 2: Institutional Overview

The Governing Body reviewed:

- Institutional profile and governance structure.
- Affiliation to JNTUK and Autonomous status.
- NAAC accreditation.
- Programs offered (UG & PG).
- Faculty strength and student enrolment.
- Vision and Mission.

The Board appreciated the steady progress of the institution.

Item No. 3: Annual Financial Report (2025–26)

The Annual Financial Report for the academic year 2025–26 was presented and discussed.

Resolution:

The Governing Body approved the Annual Financial Report and advised continued financial prudence.

Item No. 4: Academic Updates and Achievements

The Principal, Dr. S. H. V. Prasada Rao, presented:

- Academic calendars (UG & PG)
- Curriculum enrichment initiatives.
- Faculty development activities.
- Research output and patents.
- Student enrolment and academic performance.
- Placement activities.

Resolution:

The Governing Body appreciated the academic progress and advised strengthening research, industry interaction, and placements.

Item No. 5: Infrastructure and Facilities

The Board reviewed:

- Advanced Computing Lab
- Classrooms, laboratories, and library facilities
- Sports and cultural infrastructure
- Hostel, transport, Wi-Fi and other amenities

The Board appreciated the infrastructural development.

Item No. 6: Quality Initiatives and Future Plans

The Governing Body noted:

- Academic audits and feedback mechanisms
- Defined KPIs and Outcome-Based Education practices
- Plans for NIRF ranking
- Establishment of a research center
- Emphasis on funded research projects

Item No. 7: Suggestions by JNTUK Nominee

The JNTUK Nominee, **Prof. P. Udaya Bhaskar**, made the following suggestions:

1. All statutory body meetings shall be conducted at least twice a year in accordance with UGC Autonomous norms.
2. The intake in conventional courses with low admissions may be reviewed and reduced wherever necessary.
3. The reduced seats may be reallocated to high-demand and emerging programs such as Artificial Intelligence and Machine Learning.
4. A meeting shall be conducted every year before the release of the AICTE approval notification. Conducting the meeting during August/September would be appropriate.
5. A detailed short term plan, long term plan and Strategic plan be presented before the Governing Body for review and guidance.

Resolution:

The Governing Body resolved to examine the feasibility and implement suitable measures in accordance with statutory norms.

Meeting Minutes:

- The B. Tech curriculum and syllabus for 3rd & 4th year were presented by Dr. G V N B Prabhakar, Prof. & Head/ME, Chairman of Board of Studies.
- The members suggested that frame the syllabus with Continuity and eliminate the duplications.
- The BOS resolved to anticipate "Solar Energy" topic from Unit-V with Gas turbine topic in the Unit-I as the Solar Energy topic is detailed in the subject Non-Conventional Energy Resources.
- Based on suggestion given by the BOS members For DME subject in the 3rd Year slightly modify the syllabus related to Welded Joints and added related Terminology such as Eccentric Loading as the Welded joints topic is located in MP subject.
- Based on suggestion given by the BOS members For FEM subject, slightly modify the syllabus related to industry use and split the syllabus into different parts.
- Based on suggestion given by the BOS members, for R&D lab it is proposed to nominate the lab as complete subject for students to raise the knowledge in IoT and Drone technology.
- Based on suggestion given by the BOS members, the students are to be encouraged to get register in AI & ML subjects through NPTEL.
- The BOS members suggested to introduce 3D Printing lab and IoT related labs from 3rd year.
- The members had the discussion and interaction among them, after discussion relevant comments were incorporated appropriately in the course structure and syllabus.
- Based on the suggestions given by the members, BOS resolved to approve the course structure and syllabus for 3rd and 4th year B. Tech degree course under VKR 24 Regulations.

Board of studies recommended the above resolutions to be presented in the academic council for further approval.

Course Objective:

- 1) Measure load, displacement and temperature using analogue and digital sensors
- 2) Develop PLC programs for control of traffic lights, water level, lifts and conveyor belts.
- 3) Simulate and analyze PID controllers for a physical system using MATLAB.
- 4) Develop pneumatic and hydraulic circuits using Automation studio.

LIST OF EXPERIMENTS

1. Transducers Kit :-
 - a. Characteristics of LVDT
 - b. Principle & Characteristics of Strain Gauge
 - c. Characteristics of Summing Amplifier
 - d. Characteristics of Reflective Opto Transducer
2. PLC PROGRAMMING & Simulation of Allen Bradley, Siemens or IEC Ladder Using Autom Studio
 - a. Ladder programming on Logic gates ,Timers (TON,TOFF) &counters (UP,DOWN)
 - b. Ladder Programming for digital &Analogy sensors
 - c. Ladder programming & Simulations of Virtual System such as Traffic Light control, Washing machine, Garage Door, Water level control, Lift control, Conveyor Belt etc.
 - d. Ladder programming to control circuits such as single solenoid spring return latch circuit, double solenoid Hydraulic / Pneumatic circuits, Self-Reciprocating Hydraulic / Pneumatic Circuit.

DEPARTMENT OF ARTIFICIAL INTELLIGENCE & DATA SCIENCE

MINUTES OF MEETING (30-05-2026)

At the outset, the Chairman, BOS in Artificial Intelligence & Data science, welcomed all members of Board of Studies and special invitees present in 2nd meeting of Board of Studies, Department of Artificial Intelligence & Data science and briefed about the agenda to be discussed. The following agenda were placed by the Chairman and decisions were taken after detailed deliberations:

The Agenda for the Meeting:

1. Preparation of course structure for R-24 regulation of department of AI&DS in view of objectives of the college.
2. Suggestions on preparation of course syllabus for R-24 regulation.
3. Any other agenda.

Agenda1: Preparation of Course Structure for R-24 regulation (for B.Tech III & IV Years) of department of AI &DS in view of objectives of the college.

The Chairman apprised the members about the Autonomous syllabus with total credit points for Artificial Intelligence & Data Science to obtain B.Tech degree. Accordingly, a draft course structure for R-24 regulation was presented and placed before the board for their opinion and further approval.

Resolution: The BOS went through the course structure and discussed about the opinion given in the 2nd BOS proceedings and verified the incorporation of the changes suggested by the member of BOS, the course structure was approved for R-24 regulation.

Attachment: Annexure –I

Agenda2: Suggestions on preparation of course syllabus for R-24 regulation for B.Tech (III and IV Years)

The Chairman presented the course syllabus for R-24 regulation subject wise without any modification from previous regulation and placed before the board for their opinion and further approval.

Resolution: The BOS went through the course syllabus and after incorporating of certain changes suggested by the member of BOS, The Third and Fourth year (5thSem, 6thSem, 7th Sem & 8thSem) course syllabus was approved for R-24 regulation.
